

CAN DO LAND TOURS GHANA

CAPE COAST TOUR

2 DAYS 1 NIGHT (25TH – 26TH OCT)

----USD pp

(10% goes to the GodFred's Foundation)

Day 1

Depart from Takoradi and drive straight to Cape Coast. Drive through the township, through to the Cape Coast Castle that serves as an administration for the British for several years. Arrive to have an hour tour with a site guide through the Castle. To give us detail information about the slave trade and all that went on during that time. Leave the castle to have lunch at the Hans Cottage where we will have the privilege to watch crocodiles as we wait for our orders.

Return to the village nearby to explore and interact with the locals. Stay to experience nightlife before return to Hans Cottage to spend the night.

Day 2

Leave Hans Cottage right after breakfast to the Kakum National Park. Arrive at the Kakum National Park which has over 500 butterfly and 200 birds' species. We will have walking trails through the forest to watch different type of trees before doing the sensational canopy walk which is 40 meter above the forest floor.

Drive straight to Elmina where we will be visiting the Hope Center Orphanage Home. By the time we will get there, church service will be over and we will help the children with their usual duties and house choice after service or join them if not over. Then help them with their home work after lunch.

Make time to have fun with them before we then say goodbye to them and drive back to the ship at Takoradi.
